The Scheme

The SGSY Scheme is operative from 1st April 1999 in rural areas of the country. SGSY is holistic Scheme covering all aspects of self-employment such as organization of the poor into Self Help Groups, training, credit, technology, infrastructure and marketing. The scheme will be funded by the financial institutions, Panchayat Raj Institutions, District Rural Development Agencies (DRDAs), Non Government Organisation (NGOs), Technical institutions in the district; will be involved in the process of planning, implementation and monitoring of the scheme. NGO's help may be sought in the formation and nurturing of the Self Help Groups (SHGs) as well as in the monitoring of the progress of the Swarozgaris. Where feasible their services may be utilized in the provision of technology support, quality control of the products and as recovery monitors cum facilitators.

The scheme aims at establishing a large number of micro enterprises in the rural areas. The list of Below Poverty Line (BPL) households identified through BPL census duly approved by Gram Sabha will form the basis for identification of families for assistance under SGSY. The objective of SGSY is to bring assisted family above the poverty line within three years by providing them income generating assets through a mix of bank credit and Government subsidy. The rural poor such as those with land, landless labour, educated unemployed, rural artisans and disable are covered under the scheme.

The assisted families known as Swarozgaris can be either individuals or groups and would be selected from BPL families by a three member team consisting of Block Development Officer, Banker and Sarpanch.

SGSY will focus on vulnerable section of the rural poor. Accordingly the SC/ST will account for at least 50%, Women 40% and the disabled 3% of those assisted.

Skill Upgradation

Once the person or group has been identified for assistance, their training needs also to be ascertained with reference to Minimum Skill Requirement (MSR). The assessment regarding technical skills would be made by line departments and that of managerial skills by the banker, while scrutinising the loan applications. Swarozgaris possessing skills will be put

through basic orientation programme which is mandatory. This programme includes elements Book Keeping, knowledge of market, identification and appraisal, acquaintance with product costing, product pricing, familiarisation with project financing by banks as well as basic skills in the key activity identified. It will be for a short duration of not more than 2 days. BDOs, Bankers and line departments will act as resource persons for imparting the training. The training expenditure will be met by DRDAs.

For those beneficiaries who need additional skill development/Upgradation of skills, appropriate training would be organised through Government Institutions, it is, Polytechnics, Universities, NGOs etc. Swarozgaris will be eligible for loans under SGSY when they possess Minimum Skill Requirement, and it will be disbursed only when they have satisfactorily completed the skill training.

For this training, Swarozgaris will be entitled for financial assistance if they are required to undergo training for more than a week. The rate of assistance would be fixed locally. The bank will provide loans to the Swarozgaris for this purpose. However, as the credit has to be extended before the project is taken up, notwithstanding the general security norms for lending under the scheme, banks may extend loans for skill development training with or without collateral/third party guarantee at their discretion.

Activity Clusters, key Activities.

Major share of assistance up to 75 % (both by number and funding) will be for key activities and they should be taken up in clusters. For this, 4-5 key activities will be identified for each block with the approval of Panchayat Samithis at block level and DRDA/ZP at the District level. One or two activities in each block would be identified during 1999-2000 so that implementation can be started straight away. One farm activities to be assisted would be included minor irrigation such as open dug well/bore/tube well/lift/irrigation/check dam etc. Non farm activities will include those activities that result in the production off goods/services that have ready market. The unit cost as fixed by the regional Committees of NABARD should be taken into consideration as indicative cost while fixing the unit cost for the farm sector. In regard to loans falling under ISB Sector, the responsibility of fixing the unit cost and other techno-economic parameters is of the District SGSY Committee. The selection of activities should be such that it would afford the Swarozgari an opportunity to expand his asset and skill base in three years and at least in the third year the net income would be not less than Rs. 2,000 /- p.m.

Self - Help Groups (SHGs)

The Self-Help Groups shall be organised by Swarozgaris drawn from the BPL list approved by Gram Sabha. The Scheme provides for formation of Self-Help Groups (SHGs), nurturing and their linkage with banks. Group activities will be given preference and progressively majority of the funding will be for Self Help Groups. Half the groups formed at block level should be exclusively women groups.

SHGs that have demonstrated their successful existence, will receive the assistance for economic activities under the scheme.

The bank has the final say in the selection of Swarozgaris.

Deputation of Bank Officials to the DRDAs

As a measure of strengthening the DRDAs and for promoting a better credit environment, deputation of bank officials to DRDAs has been suggested. Banks may consider deputing officers at various levels to the State Governments/DRDAs in consultation with them.

Supervision and Monitoring

Banks may set up SGSY cells at Regional/Zonal Offices. These cells should periodically monitor and review the flow of credit to SGSY Swarozgaris, ensure the implementation of the guidelines of the scheme, collect data from the branches and make available consolidated data to the Head Office of the bank. The banks should ensure from the field that no query from the field level remains unattended by the Head Office. Monitoring of the Scheme at the Head Office level of the bank may be entrusted to a Senior Officer and the progress of this programme may be reviewed on a regular basis by the Top Management. The scheme provides for the setting up of SGSY committees at Block/District/State and Central level. These committees will hold periodical meetings wherein the implementation of the scheme will be reviewed and monitored. It is expected that banks will actively participate in these meetings and maintain closer co-ordination with the different agencies responsible for the implementation of SGSY.

Service Area Approach

The district SGSY Committee set up under the scheme has been authorised to reallocate the villages, which are either not covered by any bank branch or where the concerned branch is not able to perform for any reason whatsoever. The District SGSY Committee's decision on reallocation would be placed before DCC for its consideration and further necessary action.

Submission of data

Close monitoring at all levels would contribute greatly to the effective implementation of the scheme. To facilitate flow of information, the bank branches may submit the data on the progress under the scheme on a monthly basis to Block Development Officer / Lead Bank Officer / Regional Office by 10th of the following month. Regional Office of the Bank may submit the same to their Zonal Office by 20th of the following month and Zonal Office in turn may submit the consolidated data to Head Office by 25 of the following month.
